

Press Release

May 11th, 2021

Grand Opening: MyoFit Clinic

Since 2014, MyoFit Clinic is state-of-the-art physical therapy and a health clinic that specializes in outpatient physical therapy, non-medicinal pain management, sports enhancement, and wellness services provided to the communities of Chardon, Ashtabula and Middlefield, OH in Geauga County. We are family owned and are also members of the community!

This third location will primarily serve and focus on our pediatrics and children in the community and be stronger together.

At 2916 N. Ridge Rd. E Ashtabula, OH on May 18th, 2021. Will be opening its door for the public and offering the following services!

- Free Pain and pediatric consultations
- Back pain and neck help
- Sciatica and arthritis support
- Blood pressure reading
- Wellness & fitness screening!

The public is encouraged to come celebrate the occasion and experience with MyoFit clinic! Our Doctors of Physical Therapy, Physical Therapy Assistants and Staff members will be joining us with;

- Ribbon cutting,
- Giveaways,
- Prizing,
- Free hand massages,
- Face paintings and more!

The grand opening include special offers and questions you may have!

“For the past 7 years and thousands of patients that we have supported in the Ohio area, we are proud to continually grow and serve our community to keep moving forward, together. We are excited and thankful for the community that we’re joining!”

Dr. Adam Cramer, DPT

Owner of MyoFit Clinic
